**FTE** – Full Time Equivalent. A position established by the County is characterized by the number of hours worked per week divided by 40 hours; e.g. 20 Hours = 0.50 FTE. This figure is used to project accurate employment data.

**Fund** - A Fund is defined by the Government Finance Officers Association as an independent fiscal and accounting entity with a self-balancing set of accounts for recording cash and other resources, together with all related liabilities, obligations, reserves, and equities that are segregated for the purpose of carrying out specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**Fund Balance** - The excess of the assets of a fund over its liabilities and reserves. In the budget, the Use of Fund Balance indicates that prior year surplus is available in a Fund to be used to finance current year expenditures.

**General Fund (Fund 101)** - The most important fund in the county since it is used to account for all transactions of a governmental unit that are not properly accounted for in any other fund. The General Fund accounts for a wider range of activities than any other fund and has the least restrictions on the revenue it receives. It also receives a greater variety of revenues, such as general property taxes, license fees, fines, penalties, permit fees, Federal and State grants, interest not recorded in other funds, and other revenues.

**GLFB** – Acronym for Greater Lansing Food Bank.

**GPB** - Acronym for the Grady Porter Building.

**Headlee Rollback** - A formula for reducing the maximum allowable millage for a local unit included in the Michigan Constitution in 1978. It requires that the maximum allowable tax rate of a unit be reduced when the total SEV on existing properties in the unit exceeds the rate of inflation.

**Interfund Transfers** - Amounts transferred from one fund to another. For example, revenue collected in the General Fund is expended as "Appropriation Transfer Out - F221." Fund 221 (Health Fund) receives this money as revenue under the line item "Revenue Transfer In - F101" and uses it to finance Public Health expenses not covered by other revenue sources in the Health Fund.

**Intergovernmental Revenues** - Revenues from Federal, State, or other governments in the form of grants, entitlements, or shared revenues.

**Internal Service Funds** - These funds, numbered 601 - 699, are used to finance, administer, and account for the financing of goods and services provided by a department or agency to other departments or agencies of the County or to other governmental units on a cost reimbursement basis.

**JD** - Refers to the Judiciary liaison committee of the Board of Commissioners.

**LE** - Refers to the Law Enforcement liaison committee of the Board of Commissioners.

**Liaison Committee** – Standing committees of the Board of Commissioners that oversee departments and review policies in broad program areas. The four Liaison Committees are County Services, Human Services, Judiciary and Law Enforcement.

**Line Item Budget** - A detailed expense or expenditure budget, generally classified by object, e.g., supplies, travel, telephone, etc. In Ingham County, there is an operating budget for each revenue and expenditure line item.

**LOFT** - Acronym for the Law and Order Fund for Technology. This is used for funding the computer systems used by Ingham County's courts and law enforcement departments.

**Lump Sum Appropriation** - An appropriation made for a stated purpose, or for a named department, without specifying further the amount that may be spent for specific activities or for particular objects of expenditure.

**Millage Rate** - A rate expressed in thousands. As used with ad valorem (property) taxes, the rate expresses the dollars of tax per one thousand dollars of taxable value.

**MIS** - Acronym for the central services Management Information System department.

**Modified Accrual Basis** - The basis of accounting adopted for a governmental fund; as appropriate for fund type, should be used in measuring financial positions and operating results. Under it, revenues are recognized when they become both "measurable" and "available to finance expenditures of the current period." Expenditures are recognized when the related fund liability is incurred except for: (1) inventories of materials and supplies that may be considered expenditures either when purchased or when used; (2) prepaid insurance and similar items that need not be reported; (3) accumulated unpaid vacation, sick pay, and other employee benefit amounts that need not be recognized in the current period, but for which larger-than-normal accumulation must be disclosed in the notes to the financial statements; (4) interest on special assessment indebtedness that may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and (5) principal and interest on long-term debt that are generally recognized when due. All governmental funds and Expendable Trust Funds are accounted for using the modified accrual bases of accounting.

**MSU** - Acronym for Michigan State University

**Operating Budget** - The budget that deals with everyday activities. In most cases, these budgeted expenses are depleted in a single year. Ingham County has a separate budget for Capital Improvement items, although funds are set aside in the Operating Budget to help finance Capital Improvements.

**OYC** – Office of Young Children, a division of the Health Department

**P/A** - refers to the Prosecuting Attorney's Office.

**PSAP** – Acronym for Public Safety Answering Point.

**Revenue** - Additions to a fund's financial resources other than from Interfund transfers and debt issue proceeds.

**Strategic Planning Initiative Funds** - An amount of projected General Fund revenue (usually \$300,000) which is set aside at the beginning of the budget process for use later by the Finance Committee to fund programs and services not included in the budget by the Controller or Liaison Committees.

**Taxable Value** - In Michigan, Taxable Value is the value to which tax rates are applied. It is either the same or less than SEV depending on the rate of inflation or the appreciation in the property's value. The taxable value can never increase more than 5% in a single year, except when the property transfers to a new owner.

**TCRPC** - Acronym for Tri-County Regional Planning Commission.

**TIFA** - Acronym for Tax Increment Financing Authority

**Trust and Agency Fund** - These funds are used to account for assets held by a local governmental unit as trustee or agent for individuals, private organizations and other governmental units. This includes taxes collected for other governmental units, state and federal taxes withheld from salaries (including social security), appearance or bail bonds, guarantee deposits (except those of Enterprise Funds), moneys held in escrow, etc.

**Truth in Taxation Act** - The name given to Michigan Public Act 5 of 1982 which requires that a public hearing be held and a notice of public hearing on increasing property taxes be published in the local newspaper if the local unit chooses to accept an increase in tax revenues from increases on assessments on existing properties. The Truth in Taxation rollback formula rolls back the tax rate if these requirements are not met. This act has been amended so that the formula includes the revenue distributed to the County for the Convention Facility Tax (Liquor tax) and the Health and Safety Fund Act (Cigarette tax).

**Unincorporated Area** - That portion of the County which is not within the boundaries of any municipality.

**WIC** - Acronym for Women, Infants and Children program in the Health Department.
