

## SUMMARY OF 2017 STAFFING

In the 2017 approved position list, the county's staff will decrease by a net of 4.00 full time equivalent (FTE) positions from the 2016 amended staffing level of 1,158.48 to the 2017 level of 1,154.48. This does not include the employees of the Medical Care Facility. When these positions are included, because they do represent the overall level of county involvement in service delivery, the grand total for all employees is 1,511.98 FTEs.

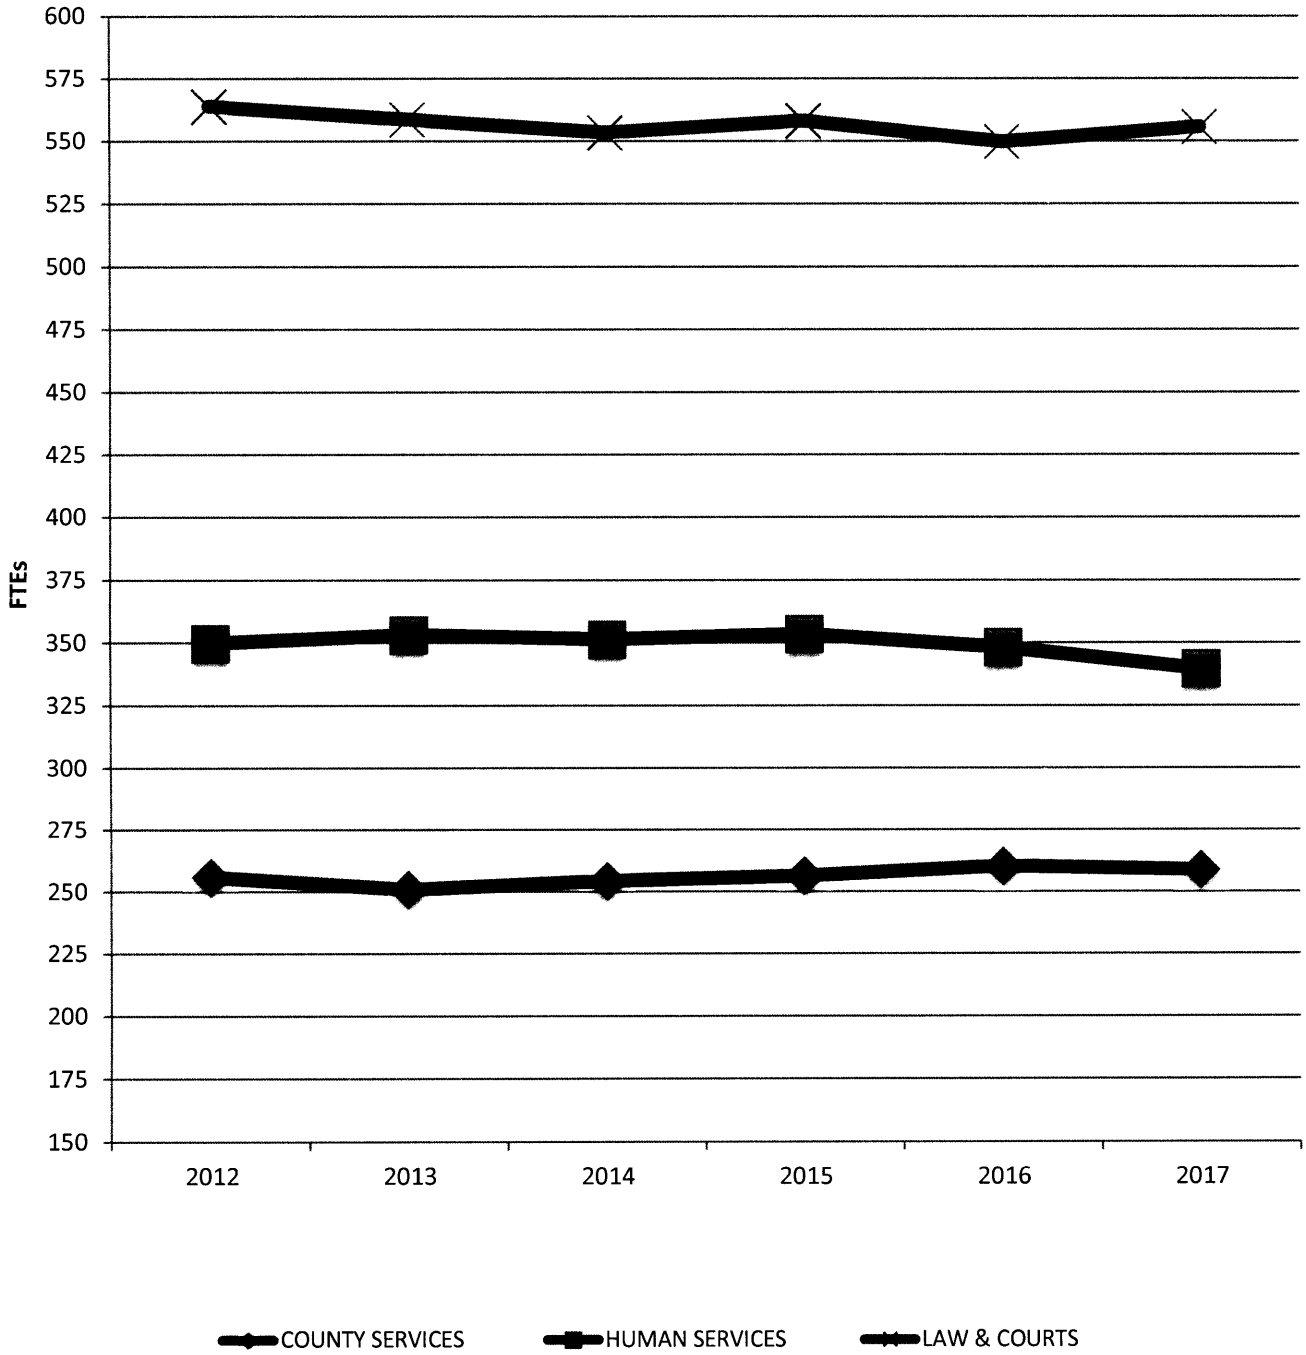

The following positions were eliminated as part of the 2017 budget process:

- In the Health Department, due to losses in program funding, a total of 11.5 FTEs were eliminated: three community health workers, an assistant social worker, a dentist, a charge nurse, two full-time and one-part time health center nurses, two public health nurses, and a program counselor. An additional 1.0 FTE is eliminated from the reduction of a full-time early childhood consultant to part-time and a full-time tobacco reduction program coordinator to part-time.
- A long time vacant technician position is eliminated from the Road Department.
- Also eliminated is a long time vacant part-time receptionist at the Potter Park Zoo.

The following staffing increases were included in the 2017 budget:

- Staffing at Animal Control is increased as follows: a part-time clerk/dispatcher is increased to full-time, a part-time animal care specialist is increased to full-time, one full-time animal care specialist is added and three full-time clerk dispatchers are added, for a total increase of 5.0 FTEs. These positions will be funded from the recently passed Animal Shelter millage.
- A diversion caseworker is added in the Prosecuting Attorney's Office. This position will be funded as a pilot program through increased fee revenue.
- Through reorganizations and increased non-general fund revenue, a total of 4.0 FTEs were added to the Health Department: one community health representative, two nurse practitioners, and one primary care physician.
