

## SUMMARY OF 2019 STAFFING

In the 2019 approved position list, the county's staff will decrease by a net of 1.75 full time equivalent (FTE) positions from the 2018 amended staffing level of 1,153.73 to the 2019 level of 1,151.98. This does not include the employees of the Medical Care Facility. When these positions are included, because they do represent the overall level of county involvement in service delivery, the grand total for all employees is 1,509.48 FTEs.

The following positions were eliminated as part of the 2019 budget process:

- In the Health Department, due to the closing of the Office for Young Children (OYC), and losses in program funding, a total of 9.75 FTEs were not included in department request:

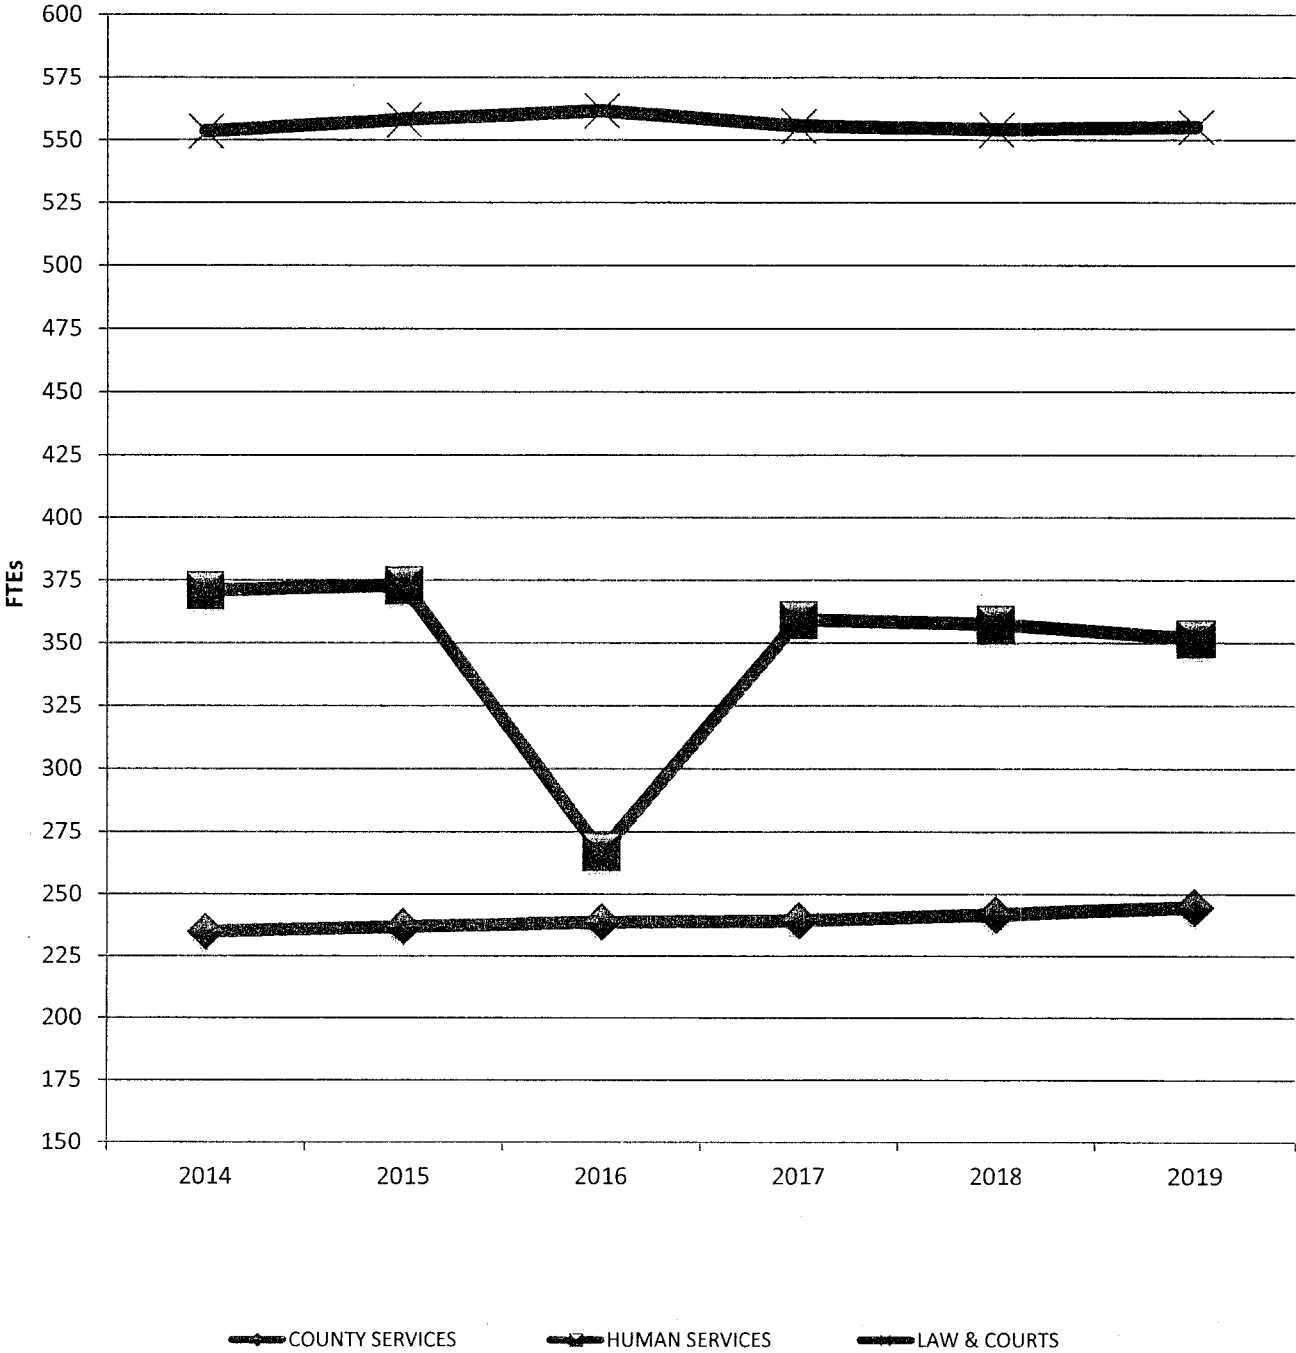

Community Health Workers (1.0), Lead Social Worker,  
Family/Child/Infant Advisor, OYC Community Health Rep II,  
Early Childhood Consultant (4.75), OYC Training Coordinator

- A Court Informational Clerk was eliminated from the Circuit Court – Friend of Court budget.

The following staffing increases were included in the 2019 budget:

- A Deputy County Clerk is included in the County Clerk's budget.
- The Innovation and Technology Department added a Security Analyst position and Programmer Analyst position.
- The Health Department's budget includes 4.0 FTE new Medical Assistant I positions, a Health Center Nurse and a Pharmacy Coordinator.
- The Sheriff staff increased by 2 FTE Deputies to man the VMC.
